FILM NEGATIVE

Dragon Dive Komodo : Who are we ?

PADI 5* IDC Dive Resort in Komodo, Dragon Dive Komodo, established in 2016, was born from a dream: *to offer an extraordinary diving experience in one of the most inspiring locations on the planet.*

Our Mission

Since 2016, we have been dedicated to creating unforgettable adventures by combining *comfort, safety, professional expertise, and a warm atmosphere.* Located in the heart of Labuan Bajo, we provide a complete immersion into the best diving experience Komodo has to offer, all while fostering a *family spirit.*

What Makes Us Unique

- 🏠 **A Complete Dive Resort:** Comfortable rooms, a spacious pool, a bar, and a restaurant where you can relax after a day at sea, always with a friendly welcome.
- 🌿 **Eco Dive Resort:** Environmentally conscious practices, including a bio-septic tank, reduced plastic use, and natural products.
- 👤 **An Exceptional Team:** Multilingual, passionate, and dedicated instructors who treat you like family while delivering top-quality training.

Our Vision

We are more than just a dive center; we are a close-knit community dedicated to your success and the preservation of our marine environment. Our operations include:

- ✨ On-site management in Labuan Bajo to ensure impeccable and friendly service.
- 📋 An administrative team focused on legal, financial, and marketing aspects, always ready to support you with a smile.

Why Choose Dragon Dive Komodo ?

At Dragon Dive Komodo, we offer a unique and personalized experience, combining comfort, and traditional charm to create the perfect environment for your IDC.

Exceptional Facilities

- 🚤 Modern Fleet: Liveaboards, daily boats, and a Speed Boat with 2x 250 HP engines.
- 🏠 Top Facilities: High-quality Scuba Pro equipment, swimming pool, and dormitory for IDC trainees.
- 🏨 All-in-One Resort: Private rooms, bar, and restaurant, ensuring a seamless stay.

Unmatched Location

Dragon Dive Komodo is a PADI 5 IDC Resort* in Labuan Bajo, ideally situated to explore the wonders of Komodo National Park. From day trips to extended liveaboard diving experiences, we provide everything you need to make your training and stay unforgettable.

Trusted Expertise

With over 15 years of diving experience in Indonesia, Dragon Dive Komodo is a name synonymous with quality, safety, and affordability in the scuba diving industry.

An Unforgettable Experience

- 🌴 Relax under the sun and enjoy the breathtaking views of Komodo's islands.
- 🦖 Explore Jurassic Park and walk alongside prehistoric Komodo dragons.
- 🐠 Dive with world-famous marine life, including manta rays, turtles, sharks, and a stunning variety of macro life.

Dragon Dive Komodo provides everything you need to succeed in your IDC and create memories to last a lifetime. Are you ready to take the plunge?

Our Boats

3 Custom-Made Wooden Boats and a Speed Boat

BE COMFORTABLE & SAFE

During your Divemaster course, you'll spend most of your time on our boats, traveling to and from Komodo National Park, conducting mapping and briefing sessions, and enjoying surface intervals. We understand the importance of your comfort during these activities.

Allow us to introduce you to our fleet of legendary Dragons:

- **Shiryu:** A cozy vessel, measuring 20 meters in length and 3 meters in width, perfect for intimate and comfortable trips.
- **Smaug:** For those who prefer more space, Smaug offers a spacious experience with its 21-meter length and 4-meter width.
- **Shenron:** Recently renovated, this beloved liveaboard now features 4 double cabins, making it ideal for extended adventures with all the comforts of home on the water.
- **Mushu:** Our speed boat, with a capacity for 8 divers, is designed to ensure maximum comfort and efficiency for quick transfers and explorations.

With these exceptional boats, we ensure that your diving experience is not only adventurous but also incredibly comfortable and tailored to your needs. Whether you're traveling to dive sites or relaxing during surface intervals, our fleet guarantees safety, reliability, and enjoyment.

Komodo National Park

 **A UNESCO World Heritage Site and one of the top dive destinations in the world.**

The Perfect Dive Destination

Komodo National Park is the ultimate choice for beginning your journey as a world-class Divemaster. Renowned as the global hub of marine biodiversity, it offers surreal and life-changing underwater encounters.

The park's unique location, nestled between the Flores Sea to the North (influenced by the Pacific Ocean) and the Sumba Sea to the South (connected to the Indian Ocean), creates its challenging and dynamic currents. These remarkable currents make Komodo a diver's paradise for skill development.

Train in Exceptional Conditions

During your Dive Master training, you'll:

- **Gain in-depth knowledge of reading currents and tides, immersing yourself in the park's unparalleled diving conditions.**
- **Sharpen your guiding expertise and professional skills in a world-class environment.**

Above and Below the Surface

The beauty of Komodo extends beyond the underwater world. Above the water, the breathtaking landscapes will add enchantment to your surface intervals and exploratory days off. Komodo is a dreamlike environment, ensuring every moment is memorable, whether diving or exploring.

What's the IDC?

Love scuba diving and working with people?

Live your dream and become a **PADI Instructor** with Dragon Dive Komodo!

Our **IDC program** lets you teach and share your passion for scuba diving while spending your time in, around, and under the water. Recognized globally, PADI Instructors set the gold standard, making you one of the most sought-after professionals in the industry.

What Will You Learn?

The IDC program equips you with the essential skills to:

-  Organize and present information effectively.
-  Conduct skill development sessions.
-  Supervise and control open water dives.

You'll become a more confident communicator, master skill demonstrations, and ensure student safety in all situations.

Why Take This Course?

-  PADI Standards and Procedures: Learn how to teach courses with hands-on, in-water workshops.
-  Learning and Instruction: Understand the PADI system and effective teaching techniques.
-  Risk Management and Diver Safety: Prioritize safety while managing risks effectively.
-  The Business of Diving: Gain insights into your role as an instructor in the diving industry.
-  Marketing and Sales: Learn to promote diving and counsel students.

Multilingual Support

Our program is conducted in **English**, with additional support available in **French, Spanish, and German, Italian**. We ensure you are 100% ready for the Instructor Examination (IE), giving you the confidence to succeed and start your career as a professional dive instructor.

The Prerequisites for Instructor Development Course

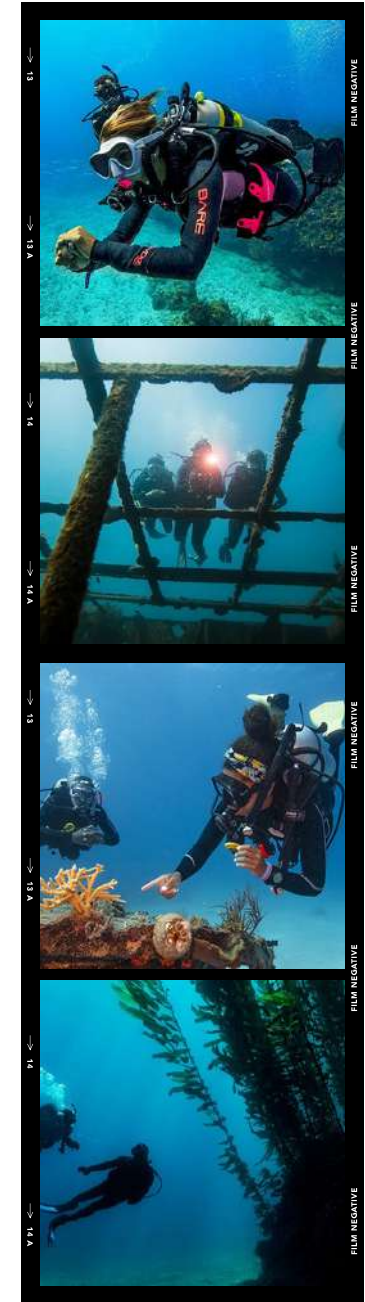

To enroll in the IDC program, you must meet the following requirements:

To ensure you are ready for the challenges of becoming a PADI Instructor, the following prerequisites are necessary:

- 🧑 **Minimum Age:** You must be at least 18 years old to participate.
- 🚫 **Certifications:**
 - Certified PADI Divemaster (or equivalent) for a minimum of six months.
 - Completed Emergency First Response – Primary and Secondary Care training within the past 24 months.
- 📄 **Medical Statement:** A medical certificate signed by a licensed physician within the last 12 months (Download the PDF here for more details).
- 📖 **Logged Dives:**
 - A minimum of 60 logged dives before starting the IDC training.
 - At least 100 logged dives required to attend the Instructor Examination (IE).
- ⌚ **Duration:** The program includes a 15-day internship, offering immersive training to prepare you fully for a career in diving.

Flexibility with Previous Certifications

If you hold certifications from other diving training organizations, you may still qualify to join our IDC program. Simply contact us for a **personalized assessment** and guidance on meeting any additional requirements.

Your Course Director

Elise - PADI Course Director

Passionate about the ocean from an early age, Elise is an experienced PADI Course Director, ready to share her expertise and passion for professional diving in Komodo. Based in Thailand, she has developed a unique teaching style focused on innovation and skill development.

Elise began her diving journey after encountering a majestic whale shark during her Open Water course—an experience that marked the beginning of her exceptional career.

Today, she is recognized for her dynamic teaching approach, specialized workshops such as the Bubble Ring Artist Specialty, and her ability to train confident and highly skilled instructors.

Join Elise at Dragon Dive Komodo for Instructor Development Courses (IDC) that blend excellence, personalized mentorship, and the exploration of Komodo's breathtaking dive sites. Get ready to turn your passion into a profession and take a giant leap in your career as a professional diver!
